Vision

Our vision is that India's future should be both comprehensive and harmonious. It must encompass all the myriad aspects that constitute the life of the country and its people. We must be able to awake a greater awareness of the cultural and spiritual strengths which formed the bedrock of our past achievements and should form the foundation of our future accomplishments. We must be able to give rise to an unswerving confidence and a complete reliance of one's own capacity and an unshakable determination to realize the full potential.

Mission

To serve the society and enhance the quality of life through excellence and leadership in professionally relevant education, as an academic community which is outward looking and committed to innovation and lifelong learning.

Chairman's Message

I am delighted to greet the new aspirants to the Gn Group family in the new academic session. We, at GNITCP, do everything to make sure you get the support you need to succeed. From the moment you step in GN Group campus, your success is our motto and we will work with you to make it happen. GNITCP has a long history of helping students to achieve their dreams. Today in the era of liberalization, privatization and globalization, we try to groom, nourish and nurture our students in such a way that they are fully equipped to meet the professional demands. An idea can be more easily lost than implemented. When it is shared, it has a multiplier effect. The benefits are enhanced, the achievements doubled and society witness the progress. We foster sharpening of skills and enhancement of knowledge base of our students through various extra-curricular, co-curricular and curricular activities. Our faculty members not only keep themselves at par with the current developments but also contribute to the expansion of knowledge in their field of expertise.

Today Pharmacy profession has expanded immensely and there are lots of avenues in this field. Profession of pharmacy gives you an opportunity for a prestigious and practical approach for livelihood.

Wish you all the best
Bishan Lal Gupta

Director's Message

Dear Students, It is my great pleasure to welcome you all at GNIT College of Pharmacy. Education is the most powerful weapon which you can use to change the world. This is precisely the mission of GNITCP, our faculty and staff as well as our student & supporters. Pharmacy is a noble profession and an integral part of health care system worldwide. It is the branch of science concerned with discovery, development, production and distribution of drugs. Already Pharmacy discipline has made an indelible mark as an independent mature profession. Pharmacy discipline has grown tremendously and recent advances in technology have created plenty of job and research opportunities. GNIT College of Pharmacy is student centric and ready to face the global challenges of pharmacy profession. Our B. Pharm. & D. Pharm. Curriculum is designed in that direction by Intellectuals Lots of growing pharmaceutical industries, increasing number of hospitals, nursing homes, and clinical research centers all over the country has given several avenues and golden opportunities for job in Pharmacy discipline. Pharmacy professionals can also start their own business. Job opportunities has also expanded to government departments and teaching.

I hope that such value based education and holistic approach provided by the GNIT College of Pharmacy will transform the students from novice to experienced and accomplished professionals. GNITCP provides exciting and engaging environment for students to peruse their studies as well as engage in activities which make them successful human being.

Best wishes!
Dr. Mukul Singh

Dean / Principal's Message

Dear Students,

Welcome to GNIT College of Pharmacy. Accept my heartiest congratulations for selecting Pharmacy profession as your career. Pharmacy profession is an integral part of health care system offering diverse and rewarding career in a myriad of professional settings. It is expanding up the horizon and setting a new trend with respect to the educational system and career opportunities. The position of pharmacist is probably the most egalitarian of all professions today. At Department of Pharmacy we believe that a teacher touches a student's life forever, creating and moulding a person in a positive way. We have highly rich experienced, qualified, motivated and committed faculty from the world of academia and industry. They help in encouraging the students to think and find their own creativity by promoting a wide range of ideas and to open expression of diverse opinions while maintaining an atmosphere of integrity, civility and respect. Apart from the study, we provide an opportunity to the students to take part in the Co-Curricular activities which includes personality development by sharpening their communication skills, expression skills, public speaking, participation and sense of belongingness through different activities like seminar & conferences, Hospital/industry internship, industrial/hospital visits, PDP Classes, creative art competitions, classroom activities like reading, group discussions etc. I welcome you to our lush green campus of Department of Pharmacy and hope you will involve yourself whole-heartedly in the mission of building excellence in the Pharmacy Profession as we make outstanding professionals in India for the world. "We are committed to expound future pharmacists with knowledge, good interpersonal skills, hard work & attitude to develop the students into more confident in life."

Wishing you all a very fruitful Future Life!!!

Mr. Anil Sahdev
Dean / Principal

- GNITCP World Class Education Case studies and comprehensive teaching approaches guarantee that Students gain industry knowledge rather than simply a degree.
- The GN Group of institutes has a high-tech green campus with all modern amenities.
- We use a variety of methods, like Guest lectures, seminars, conference, PDP Classes, hands-on projects, lab work, and other interactive sessions, to help our wards understand more about the medical field.
- The GNITCP compare with the best in the NCR area and offer career-oriented education.
- At GNITCP, the focus is on making you a real leader and team player as well as a genius in the classroom. This prepares you for the competitive business world.
- It has partnered with hospitals & Pharmaceutical industries to provide students with hands-on experience and training.
- GNITCP has the best internship and job placement opportunities in Greater Noida.

Programmes offered

D.Pharm.

A person who has completed D.Pharm can be employed as a Registered Pharmacist in a community pharmacy (Medical Store/Chemists & Druggists) or a hospital pharmacy. It is the minimum qualification to practice pharmacy; therefore, it is mandatory that all dispensing of prescription medicines has to be done under the supervision of a pharmacist only. He/She can also work as a medical representative & also work in an industry.

INTAKE
D.PHARM. -60

Eligibility Criteria

FOR D.Pharm: No. Candidate shall be admitted to Diploma in Pharmacy Part I unless he/she had passed Intermediate examination in Science with compulsory subjects (Physics, Chemistry, Biology and /or Mathematics including English as one of the Compulsory subjects).

B.Pharm.

As per the present curriculums in India, a B.Pharm degree mainly prepares the candidates to work in the pharmaceutical industry. The course structure of the degree includes practical training in the pharmaceutical industry environment. Practical experience goes a long way in getting the candidates ready to enter the actual work environment and develop a successful career for themselves in the field. A pharmacist having a B.Pharm degree is also eligible to practice pharmacy in a community or hospital pharmacy. Pharmacy graduates may consider venturing into pursuing higher studies outside India to make their career even more lucrative and challenging. One can enroll for masters as well as Ph.D in desired field of study after obtaining B.Pharm degree in India. Learning opportunities for higher studies exist in both the practice as well as research streams.

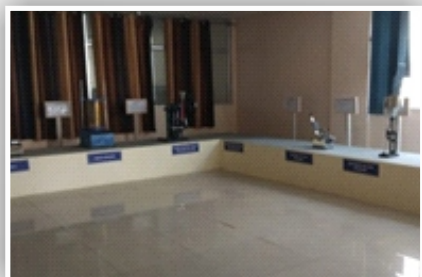

INTAKE
B.PHARM. -100

Eligibility Criteria

FOR B.Pharm: First year B. Pharm: Candidate shall have passed 10+2 examination conducted by the respective state/central government authorities recognized as equivalent to 10+2 examination by the Association of Indian Universities (AIU) with English as one of the subjects and Physics, Chemistry, Mathematics (P.C.M) and or Biology (P.C.B / P.C.M.B.) as optional subjects individually. Any other qualification approved by the Pharmacy Council of India as equivalent to any of the above examinations.

Testimonials

Dharmendra Kumar (D.Pharm Final Year)

I completed my D.Pharmacy from GNIT College of Pharmacy, GN Group of Institutes, Greater Noida. We are guided to work hard and faculty members are very cooperative. In my opinion it is the best place where every student gets equal chance to learn. Students from all corners of the country as well as foreign countries learn together in a conducive atmosphere. As a fresher everyone wants a kick start and I can proudly say that GNITCP have given me that opportunity and I will recommend this Institute to all.

Amir Hussain (D.Pharm. Final Year)

I came to GNIT College of Pharmacy, GN Group of Institutes, Greater Noida, with a dream and now my dreams have come true. I am feeling very delighted because GNITCP has given me the opportunity to pursue my career in marketing by providing me a campus placement in my choice of company. I want to thank GNIT and all my faculty members as well as non-teaching staff for helping me to choose the right path and encouragement provided to me during the selection process.

Sumit Kumar (D.Pharm. Final Year)

First of all I would like to thank my faculty members who turned out to be my support system during my academic career. The quality of education imparted by the GNIT College of Pharmacy, GN Group of Institutes, Greater Noida, is exhaustive and helpful for a career oriented student. The regular activities conducted by the Institute enabled me to take a step forward, motivated me to maintain harmonious relations with everyone and taught me how to work as a team.

Aayushi Singh (B.Pharm.Final Year)

I am really thankful to GNIT College of Pharmacy, GN Group of Institutes, Greater Noida, especially, the Training and Placement Cell for giving ample number of opportunities to help me get through best of the Companies. The endeavour and enthusiasm of Training & Placement Cell is very appreciable. Placement cell took a number of measures to ensure that students get properly placed and made best of opportunities available for us which led to my placement. I wish good luck to the coming batches of my Institute.

Prachi Mehta (B.Pharm Final Year)

GNIT College of Pharmacy, GN Group of Institutes, Greater Noida, has been nothing less than what I had hoped for. It has nurtured me and made me what I am today. Four years spent here was splendid. It broaden my knowledge and endured me with career excellence. It helped me excel professionally as well as personally. I always amaze by large library in our campus with plethora of books which ensures quality support to the studies. Apart from academics our college always allows us to pursue our extra talents and recognize us. Icing on the cake is our beloved Director and Professors.
