Content	<p>Day 1: October 03, 2023, Tuesday</p> <p>INDUCTION PROGRAM FOR B PHARMACY & D PHARMACY 1ST YEAR STUDENTS:</p> <p>On 03rd October 2023, the GN GROUP OF INSTITUTES, GNIT College of Pharmacy initiated a 3-week highly instructive Induction program 2023-24 from 3rd October 2023 to 21st October 2023 for our B. Pharm. 1st year students. Under the esteemed guidance of honorable Shri B. L. Gupta ji (Chairman, GN Group of Institutes), Dr. Shakshi Gupta (Member management), and supervision of honorable Prof. (Dr.) Sharad Agarwal (Director General, GN Group of Institutes) and Dr. Ruchi Jain (Director, Admission and Librarian), students, explored the pharmacy field.</p> <p>GNIT College of Pharmacy along with our respected dignitaries welcomed our respected chief guest, Mr. Prakash Chandra Sharma, Executive President of India and South East Asia, Suzhou NanoMicro Technology Co. Ltd., Respected Guest of Honour, Dr. Satarupa Deka, an Assistant Professor of IILM University, Greater Noida.</p> <p>The event started with a motivational speech by our Honourable Chairman sir, Shri B.L. Gupta ji, GN group of Institutes.</p> <p>Further, Mr. Sharma gave an enriching session on the 'Scope and Objectives of Chromatography Techniques.' He educated students about the utility of such techniques in various fields of pharmacy, from</p>

quantitative analysis to drug screening.

Next, Dr. Satarupa Deka gave an enriching lecture on 'Stress Management and Personality Development.' She conducted interactive exercises to embark our budding pharmacist on a journey towards self-improvement and well-being.

The palpable enthusiasm and satisfaction displayed by the participating students were a testament to the program's success. This event came to closure with a vote of Thanks by HOD, GNIT College of Pharmacy. The event was mutually beneficial in engagement to set of positive precedent for future collaborations between the institutions and industry.

Day 2: October 04, 2023, Wednesday

STUDENT'S INTERACTION SESSION:

The Induction Programme for the academic year 2023-24 at GNIT College of Pharmacy, Greater Noida, commenced on a positive note. The event was inaugurated with a motivational speech by the esteemed Director, Dr. Mukul Singh. The program aimed to welcome the new batch of students and acquaint them with the college's environment and the academic journey that awaited them.

Following the Director's speech, it was time for the students to introduce themselves. This session was a crucial step in helping the students get to know one another and build connections. Each student was given the opportunity to stand up, share their name, educational background, and a brief insight into their aspirations and interests. This exercise allowed everyone to break the ice and foster a sense of camaraderie among the new batch of students.

Day 3: October 05, 2023, Thursday

HUMAN VALUE SESSION:

On 5th October 2023 Induction program continue with newly admitted students at GN Group of institutes, GNIT College of Pharmacy was an outstanding accomplishment. **Dr. Namrata Singh**, Manager of Corporate Relations at Kailash Hospital, was the highlighted expert for the day. Dealing with stress and anxiety - A clinical perspective was the topic of Dr. Namrata's engaging and enlightening speech. It was an hour-long session in which she explained the significance of goal setting and how to achieve one's life goals. To achieve one's objective, one must make a transparent, continuous, and conscious effort that is both plain and transparent. Dr. Singh stated that an honest objective, a distinct path, perseverance, hard

work, discipline, and dedication to one's work will ensure success. Also, when one cannot achieve the intended success, tension and anxiety are natural results that must be addressed immediately.

Day 3 of the programme also included a session on **Universal Human Value** delivered by **Mr. Gaurav saxena**, Assistant professor. It was an hour-long session in which was motivational to all in many ways. He explained about the basic human ethics and values one should maintain throughout their lives to achieve their goals and be successful in life.

Day 4: October 06, 2023, Friday

DEPARTMENTAL VISIT:

On 6th October 2023 Induction program continue with newly admitted students at GN Group of institutes, GNIT College of Pharmacy with a session on basic skill enhancement and future scope of pharmacists in the field of medical coding, Pharmacovigilance, Marketing and management. This session was delivered by our guests **Mr. Surojit Ghoshal**, Director, Institutedi Graduati pvt. Ltd. And **Mr. Devojit Dutta**, Director, Institutedi Graduati pvt. Ltd.

The next part of event continued with the departmental visit, which began with a warm welcome and orientation session in a designated common area. Here, students were briefed on the schedule and the importance of the visit in their academic journey. The event coordinators and faculty members provided students with an overview of the day's activities. Students were divided into groups, and each group visited a specific department relevant to their field of study. Within each department, students were guided through state-of-the-art laboratories, libraries, classrooms, and other essential facilities. Faculty members provided insights into the practical and theoretical aspects of each subject.

Day 5: October 09, 2023, Monday

LOCAL AREA VISIT:

GN GROUP OF INSTITUTES, GNIT College of Pharmacy continue the Induction Program on 10th Oct 2023 with an engaging and insightful session led by **Dr. Ravina Duhan**, a distinguished professional in the healthcare sector.

Dr. Ravina Duhan, founder and director of Talent Bridge HRS and director of Amio, graced our induction program with her expertise. With over 16 years of experience in the healthcare sector, she shared valuable insights

into preparing for a career in healthcare. Dr. Duhan's background as a dentist added depth to her presentation. Her presentation left a lasting impression on the participants, equipping them with knowledge and inspiration for their future careers.

Following the enriching session by Dr. Duhan, participants had the opportunity to explore local areas near the institution. This excursion aimed to provide them with a better understanding of the community and its infrastructure. The locations visited included: Police Station, Bank, Exploring the nearby market allowed participants to observe local businesses. The visit to nearby malls provided an insight into the retail sector and the variety of products and services available.

The Induction Program's inaugural day was a resounding success, thanks to the invaluable contribution of Dr. Ravina Duhan and the engaging local area visit. The event provided students with valuable insights into healthcare careers and offered a practical glimpse of the community they will be a part of during their academic journey.

Day 6: October 10, 2023, Tuesday

REPORT WRITING WORKSHOP:

The induction programme continue at pharmacy department was a significant event aimed at acquainting new students with the institution's culture, academic expectations, and the resources available to them during their educational journey. Among the key highlights of this programme was a session conducted by **Dr. Parvinder**, Director, Greater Noida Institute of Technology.

Dr. Parvinder's session primarily centered on the art of Report writing. He highlighted the importance of this skill in various academic and professional settings, emphasizing its role in effective communication and knowledge dissemination. Furthermore, Dr. Parvinder extended how proficient report writing could contribute to transforming the future for the better. He explained that well-structured, data-driven reports play a crucial role in decision-making processes, problem-solving, and driving positive changes in various fields such as academia, research, or business.

The session by Dr. Parvinder was well-received by the students, who found it not only informative but also inspiring. His expertise in the subject matter, combined with his ability to engage and connect with the audience, made the session a memorable and educational experience.

Day 7: October 11, 2023, Wednesday

PERSONALITY DEVELOPMENT SESSION:

On 6th October 2023 Induction Programme 2023-24, continued at GN group of Institutes, GNIT College of Pharmacy. Day 4 of the Induction Programme was marked by two insightful sessions delivered by two eminent speakers. The sessions aimed to enrich the knowledge and skills of the participants.

The event began with a session on Communication Skills by **Ms. Bachendri Pathak**, a senior trainer at Inlingua, took the stage to discuss the significance of communication skills in the professional world. Her session emphasized how effective communication can enhance one's personal and professional life. Ms. Pathak stressed the importance of clear and concise communication in conveying ideas and information effectively. She highlighted the role of non-verbal cues, such as body language and gestures, in conveying messages accurately. Participants were encouraged to practice active listening, a crucial skill in effective communication. Ms. Pathak shared techniques to boost confidence in communication, including public speaking tips. The session addressed common communication barriers and how to overcome them.

The second session was led by **Mr. Kunwar Srivastava**, an HR professional at the ACPL group of companies, who delved into the world of Pharmacovigilance and drug regulatory affairs in the field of Pharmacy. Mr. Srivastava provided an overview of what Pharmacovigilance is and why it's crucial in the pharmaceutical industry. He discussed the role of regulatory affairs in ensuring compliance with laws and regulations governing the pharmaceutical sector. Participants learned about the importance of monitoring and reporting adverse drug reactions to ensure public safety. Mr. Srivastava highlighted the career opportunities and growth prospects in the field of Pharmacovigilance and regulatory affairs.

Overall, both sessions were highly informative and provided valuable insights to the participants. The induction programme continues to equip them with the knowledge and skills necessary for their roles in the pharmaceutical industry.

Day 8: October 12, 2023, Thursday

YOGA WORKSHOP:

"Yoga is a flame when you light it up, The glow never fades away"

GN GROUP OF INSTITUTES, GNIT College of Pharmacy, continue the Induction Programme for the academic year 2023-24 was off to an

invigorating start today, offering students an array of activities to kickstart their academic journey.

The morning commenced with a rejuvenating yoga session that left participants refreshed and invigorated. The yoga session began with a series of stretching exercises, followed by the practice of Surya Namaskar, and concluded with a laughter therapy session that left everyone in high spirits.

Following the yoga session, the program featured a session led by the esteemed speaker, Mr. Vaibhav Verma, a renowned Relationship Manager from Delhi NCR. Mr. Verma shared invaluable insights on the opportunities and processes involved in studying abroad. His presentation was not only informative but also inspiring, offering students a roadmap to pursue their educational aspirations on a global scale.

The Induction Programme for 2023-24 is off to a promising start, combining physical and intellectual enrichment, and setting a positive tone for the academic year ahead. Students are now well-equipped with the knowledge and motivation to embark on their educational journeys with enthusiasm and purpose.

Day 9: October 13, 2023, Friday

PHARMA- MODELLING:

The Induction Programme for the academic year 2023-24 at GNIT College of Pharmacy reached its pinnacle on October 13, 2023. The day featured a highly engaging and educational event - the Pharma-Modeling Competition. This event allowed students to showcase their creativity and knowledge by designing pharmaceutical models and explaining their significance.

Students displayed their meticulously crafted pharmaceutical models at designated stations. A distinguished panel of judges, consisting of faculty members and experts in the pharmaceutical field, evaluated the models based on their creativity, accuracy, and the depth of understanding demonstrated by the students.

The Induction Programme 2023-24 at GNIT College of Pharmacy successfully brought students into the academic fold, fostering creativity, collaboration, and a deep passion for the pharmaceutical sciences. The event ended on a high note with Dr. Mukul Singh's motivating speech, inspiring students to aim for excellence in their academic journey.

Day 10: October 16, 2023, Monday

CULTURAL SHOW:

The Induction Programme for the academic year 2023-24 at GNIT College of Pharmacy culminated with a grand celebration on October 16, 2023. The day was filled with a vibrant display of students' artistic talents through a series of cultural competitions, including dance, talent show, and theater performances.

The dance competition was a spirited showcase of the students' choreography and performance skills. The talent show was a platform for students to display their unique skills and abilities. Acts included magic tricks, stand-up comedy, and a variety of other captivating talents. The theater competition brought out the budding thespians in the college. Students enacted short plays, monologues, and skits that touched upon various themes and emotions. Music echoed through the event as students with melodious voices and instrumental skills took the stage.

The Cultural Competitions held as part of the Induction Programme 2023-24 at GNIT College of Pharmacy were a resounding success. These competitions provided students with a unique opportunity to showcase their diverse talents and interests. The event ended on a high note, with the winners being appreciated and celebrated.

Day 11: October 17, 2023, Tuesday

FOSTERING CREATIVITY:

On 17th October 2023 Induction programme continued with Fostering Creativity in B.Pharm students was marked by a series of creative competitions aimed at enhancing the creative skills of the participants. These competitions included a Rangoli competition, poster presentation.

The Rangoli competition was a visual treat, where students demonstrated their artistic abilities by creating vibrant and intricate designs using colored powders. The poster presentation competition allowed students to communicate complex pharmaceutical concepts through visual aids. The topics covered a wide spectrum of pharmaceutical subjects, and students presented their ideas effectively

This day of the induction event for B.Pharm students was a resounding success in nurturing and celebrating creativity among the participants. The event was a testament to the potential and promising future of these

budding pharmaceutical professionals.

Day 12: October 18, 2023, Wednesday

PHYSICAL HEALTH ACTIVITIES:

On October 18, 2023, as part of the Induction Programme for the academic year 2023-24 at GNIT college of Pharmacy, a day filled with exhilarating physical activities was organized to welcome and engage the new students. The event focused on promoting physical fitness, teamwork, and friendly competition through a range of indoor and outdoor games. Indoor competitions such as Chess, Ludo, Table tennis competitions and Outdoor games such as Relay race, Spoon Race, Badminton was the part of the event.

The activities not only emphasized the importance of physical fitness but also encouraged students to interact with their peers, fostering a sense of camaraderie.

The event celebrated the competitive spirit and sportsmanship of the students. It also provided them with an opportunity to unwind, have fun, and develop important life skills such as teamwork, coordination, and strategic thinking.

The Induction Programme, with its diverse range of activities, set the tone for an exciting and holistic academic journey for the new students. The event was a memorable way to welcome them to the campus and encourage them to strike a balance between academic excellence and physical well-being.

Day 13: October 19, 2023, Thursday

HOSPITAL VISIT:

On October 19, 2023, the students pursuing Bachelor of Pharmacy (B.Pharm) and Diploma in Pharmacy (D.Pharm) at GNIT College of Pharmacy embarked on an educational and informative visit to Apollo Cradle & Children and Apollo Spectra Hospitals in Greater Noida, Uttar Pradesh. This visit was organized to provide students with hands-on experience and insights into the practical aspects of pharmaceutical and healthcare services.

A significant part of the visit was dedicated to the hospital's pharmacy department. Students were taken on a guided tour, where they observed the functioning of the hospital pharmacy, including drug dispensing procedures, quality control measures, and the role of pharmacists in patient care. Students also had the opportunity to explore various clinical departments, including the emergency room, outpatient clinics, and inpatient wards. They observed the collaboration between healthcare professionals and the role of pharmacists in patient medication management. Students engaged in interactive sessions with medical professionals, including doctors, nurses, and pharmacists. Students witnessed firsthand the process of patient care, from admission to discharge.

The visit reinforced the importance of the pharmacist's role in patient care, medication management, and collaboration with other healthcare professionals. This educational visit not only expanded the students' horizons but also inspired them to pursue their pharmaceutical careers with a greater sense of purpose and dedication.

Day 14: October 20, 2023, Friday

CLOSING CEREMONY:

The closing ceremony of the Induction Programme for the 2023-24 academic year at GNIT college of Pharmacy on 16th October 2023 was a grand success. The ceremony was a culmination of a week-long orientation program designed to acclimatize the new students to the academic and cultural ethos of the institution.

The event commenced with a warm welcome by Dr. Mukul Singh, Director of GNIT College of Pharmacy. Dr. Singh delivered an inspiring speech, highlighting the importance of the induction program in setting the stage for the students' academic journey.

Following the director's speech, the highlight of the ceremony was the distribution of prizes to students who had excelled in various competitions held during the induction program. In a touching moment, the faculty members who had actively participated and coordinated the induction program were also recognized and presented with tokens of appreciation.

To conclude the ceremony, Dr. Sharad Aggarwal, the Director General of GN Group of Institutes, addressed the audience. His words served as a guiding light for the new students, instilling in them a sense of purpose and motivation. The Induction Programme 2023-24 was a resounding success, setting the stage for a promising academic year ahead at GNIT College of

	Pharmacy.
Outcome	Dedication, Affirmation, Confidence, Common sense, Leadership qualities, Communication power emerged as they answered when they were asked about the sports. They realised that sports were also the part of their lives.
